## Gallery Worksheet

This worksheet is designed to assist you to keep a record of artworks you viewed in a gallery, an exhibition or a special location. The artworks may be ones you admire or those you need to record for study purposes. You could include a photograph or reproduction of some of the artworks if available (remember, you are seldom allowed to take your own photographs in art galleries for archival and copyright reasons. If in doubt ask an attendant).

The Worksheet can be located in your Workbook or Visual Diary.
