

Street Art Comparison Worksheet

Street Art Comparison Worksheet

This worksheet was prepared in January, 2011 by Max Darby

This worksheet is related to 3 other worksheets titled – **Street Art Judgment Worksheet**; **Street Art Analysis Worksheet** and **Street Art Discussion Questions**, as well as other **Street Art** files on website: artseducationguru.com

Look closely at the two Street Artworks below and describe and compare them using the following guides. This task is not intended to decide which of the two is best but how they differ in style, skills and possible intentions of the artists who made them, and how you see them.

- * Describe and compare your first impression of each artwork.**

- * Describe and compare the different things you can see in each artwork.**

- * Describe and compare how each artwork is arranged or composed.**

- * Describe and compare the way lines have been used in each artwork.**

- * Describe and compare the way colours have been used in each artwork.**

- * Describe and compare the way shapes have been used in each artwork.**

*** Describe and compare the way pattern has been used in each artwork.**

*** Describe and compare why each artwork might have been made made.**

*** Describe and compare the location of each artwork**

*** Describe and compare the size and scale of each artwork.**

*** Describe and compare what you feel is the importance of each artwork.**
